

AMPS Back Plate - Silver

Part #100370

\$7.99

When attaching a ProClip device holder or Pedestal Mount to a vehicle dashboard or other surface which lacks sufficient structural integrity to provide a stable mounting platform, we highly recommend the use of one of our Backing Plates for added stability and durability.

Features

Effectively reinforce your dashboard or other marginal device mount location with this strong pre-drilled metal plate.

- Reinforce Dashboard for Mobile Device Mounting
- Strong Metal Construction
- Pre-Drilled AMPS Holes
