Important:

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or re-installation of any product.

Attention:

Carefully read all instructions and review the images before installing this product.

Do not attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash and non-refundable since you have screwed into it.

ONLY for the Wing Dash style.

1. Remove the screw above the air vent. Peel off the cover of adhesive tape on the ProClip. Note: The adhesive tape does not leave any marks or damage the dashboard, and is easy to remove. Place the ProClip in your hand so the ProClip label (sticker) is in an upright position, or if vertically positioned; the P in ProClip is at the top. Use your left hand to pull the top part of the panel frame towards you (Approx. 1/2 inch.) Then hook the angled edge on the right side of the ProClip around the panel frame edge.

2. Align the upper hole in the ProClip over the screw hole in the dash. Push the panel frame back into place and screw the screw just a few threads into the screw hole.

3. Using your left hand again, pull the panel frame slightly towards you. Then push forward on the left side of the ProClip so the angled edge hooks around the panel frame edge. Push the panel frame back into place and secure the frame and the ProClip by tightening the screw.

4. The ProClip Mount is in place.

Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). **Items returned without a valid RMA number may be rejected. Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**
