

5 Inch Universal Pedestal Mount with Extra Steel Amps Plates

Part #100326

\$53.99

This Pedestal Mount can angle, tilt, swivel and extend your holder/device for a better viewing position. This mount swivels 360 degrees horizontally and vertically. It extends 5 inches and can be attached to any flat surface. The face plate has an AMPS hole pattern to accommodate most holders, cradles, mounts and car kits. The 2 additional steel plates include a steel 20mm ball and M5 fastener holes in steel AMPS plates.

Vehicles on the Road

This product is designed to support attached devices with up to 25 lbs. of force. This means it will support approximately 4 lbs. of equipment with the normal vibrations and bumps that occur in daily driving on the road. To ensure that the weight of the device combined with the cradle, or holder does not exceed the 4 lbs., we recommend that tablets, phones or other devices be no larger than an 8-inch screen.

Features

- Supports 4 lbs. of equipment in vehicle
- Supports 2.5 lbs. of equipment in forklift
- Designed for 25 lbs. of vibration force
- Includes 2 - Steel AMPS Plates (M5 Holes)
- 360 Degree swivel
