

Product Features

Wade Antenna's Non-Penetrating Roof Mounts, or NPRMs, are a top seller to Wireless Internet Providers, Municipalities for wireless networks, Two-Way Radio communications, schools, and more.

With over 20,000 units sold since 2001, these versatile mounts have quickly become one of Wade's most popular products.

Features

- 2 gauges of pre-galvanized steel frames to choose from
- Rigid construction will withstand harsh elements
