

CAUSBMC90

USB to Micro USB Cable with 90-Degree Angle Connector for Android Phones and Other Devices

ARKON MOUNTS

Product Overview

Arkon's CAUSBMC90 USB to Micro USB charge and data cable features a 90-degree angled Micro USB connector for plugging into tight places. This cable is ideal for transferring data and charging Android smartphones, tablets, MP3 players, cameras, e-readers, external batteries, handheld game consoles and other Micro-USB compatible devices from brands including Samsung, HTC, Motorola, Nexus, Nokia, LG, HP, Sony, and Blackberry. This cable is not compatible with Apple devices.

You can also connect PC peripherals, such as hard drives and printers. Just plug the Micro USB end into your device and connect the USB side into a wall adapter or USB hub.

(Devices not included)

Compatible Products

Android smartphones, tablets, and other USB compatible devices. Not compatible with Apple devices.
