

LBFLXTABA-L23

Tablet Lockbox Bundle with Car Seat Rail Mount for Samsung Galaxy Tab A 8.0

ARKON MOUNTS

Product Overview

Permanently and securely mount a Samsung Galaxy Tab A 8.0 onto your fleet vehicle's seat rail bolt with this Tablet Lockbox Bundle. The bundle features a commercial-grade locking tablet enclosure, heavy-duty 23" seat rail mount (with optional mounting bracket), and commercial vehicle power system.

The tablet fits snugly into the durable plastic lockbox and can be easily detached from the mount base with a key lock (keys included). The lock box features a hand strap for easy handling of the tablet outside of the vehicle. A 2.4 Amp charging system is designed to not overcharge the battery while providing appropriate power to the tablet. Ignition sense provides charge for up to 90 minutes after ignition is off. A magnetic charging insert module and hardwire kit are also included.

Compatible Products

Samsung Galaxy Tab A 8.0 only
