** ADVISEMENT **

Read instructions completely prior to starting installation. All InDash Mounts are designed so that after installation, phone is facing normal driver position for left-hand drive vehicles. This mount is not designed to be used in foreign countries with right-hand drive vehicles. Use extreme care when working around the plastic components on the dash. Excess force, can cause breakage of the plastic components.

STEP #1: With hook tool, carefully remove the bezel to the right of the radio controls, and is above the glove box. releasing (4) clips. Set bezel aside.

STEP #2: Place the Indash by Panavise Mount onto the flat spot just to the right of the radio bezel mounting screw. Install the (2) supplied screws with the Phillips screwdriver.

STEP #3: Raplce the bezel

Bezel Removal

INSTALLATION IS NOW COMPLETE.
ENJOY YOUR NEW INDASH by PANAVISE MOUNT.
